पठनम्

अः to औः (Concept of विसर्गः with स्वराः)

Use the file: “अः to औः.pdf” to show the स्वराः with विसर्गः | विसर्गः is the sound we make when the wind comes out of the mouth from the कण्ठः | This sound will be similar to ह्र, provided we add the vowel sound अ to it. But this is not equal to ह्र.

The विसर्ग-युक्त-स्वराः pronunciations are bit different from one another. Hence the .mp3 file is also provided. Please listen to the sounds carefully and teach the sounds to the students.
